

Zincoseb[®] Shampoo

Benefits of Shampooing with Zincoseb Shampoo:

- *Cleanses the skin and coat.*
- *Enables direct application of ingredients to the skin.*
- *Helps to maintain good skin and coat condition.*
- *May help to limit the recurrence of problem skin conditions.*

Composition

- Colloidal sulphur helps to degrease and regulate skin secretions, to maintain skin health and cleanliness.
- Zinc gluconate cleanses, regulates and purifies the skin.
- Salicylic acid has keratolytic properties and selectively breaks down keratin protein chains present in the outer skin layer. It also helps to open up clogged skin pores.
- Chlorhexidine digluconate has a cleansing antibacterial action.
- Ethoxylated Lanolin is a soothing emollient, which moisturises and conditions the skin and coat.
- Coconut Diethanolamide is a foaming and emulsifying agent, rich in omega³ and omega⁶ fatty acids.

Uses

- For dry flaking skin.
- To help degrease an oily coat.
- Where cleansing of the skin is required as part of the management of bacterial skin infections.

Benefits of Zincoseb Shampoo

- Exfoliates.
- Soothes.
- Has an antibacterial action.
- Rebalances: counters both oiliness and dryness.
- Cleans and moisturises the skin and coat.
